

Parents and Carers Commitment Code

Parents and carers play a crucial role in the education, social and faith development of their children. At Xavier Catholic College we have a wonderful body of parents and carers who are involved in many aspects of school life. As a result, we have obtained a high standard of education and civic responsibility in our students and this is highly valued by all members of our community.

A Catholic School in the Ignatian Tradition operated by Brisbane Catholic Education.

We acknowledge the Traditional Custodians of the Land, the Butchulla People, and pay respect to Elders past, present and emerging.

Finding Jesus in All Things

Rationale

The Parents and Carers Commitment Code has been developed to clearly articulate the expectations and aspirations for our College community.

The Code highlights the importance of the partnership between school staff, families and members of the wider community for the benefit of the students at school and reflects the Xavier Catholic College mission and vision.

The Code recognises and respects the diversity of individuals in a learning community and emphasises the importance of the role parents have as educators.

As Parents and Carers:

- We accept and abide by decisions made by the staff as being professional, discrete and based on the best interests of all parties.
- We encourage our children to accept responsibility for their own actions and encourage them to be learning risk-takers.
- We use appropriate channels and protocols to discuss concerns relating to children as set out in the Anti-bullying and Responsible Behaviour Policies.

We Value Teamwork:

- We accept that we have a major role to play in the education of our children.
